

Pepper Bush Adventures

Company Biography

Pepper Bush Adventures provides quality wilderness, wildlife and gourmet bush tucker encounters for visitors seeking a genuine Tasmanian lifestyle experience. Tours combine nature and lifestyle into day and multi-day itineraries and range from state-wide customized touring to wilderness and wildlife experiences in North East Tasmania.

Our tours can take us to icon areas like Cradle Mountain and Freycinet National Parks or we can go off the beaten track, viewing native wildlife in their natural habitat in remote and lesser known areas of Tasmania. We trek our clients around the state by 4WD vehicles and cater for FIT's or small groups (larger groups can also be catered for) and generally depart on demand.

Pepper Bush Adventures produce gourmet bush tucker, described by The Oregonian magazine as "...an outdoor dining experience that turns mere trail food into a transcendent culinary event..." An innovative remote catering trailer is used provide unique bush tucker experiences to specialist groups, incentive planners, clubs and other organizations anywhere in Tasmania, particularly in remote and regional areas. The remote wilderness of Tasmania provides a stunning and complementary visual backdrop for the bush tucker dining experience.

Pepper Bush Adventures can also coordinate other activities into tour programs i.e. bushwalking; golfing; vineyards; fishing; canoeing; boating activities and more. We are a diverse and flexible operation and aim to leave clients with a memorable Tasmanian Experience
