## Day 1 - Taste of Tamar Tour

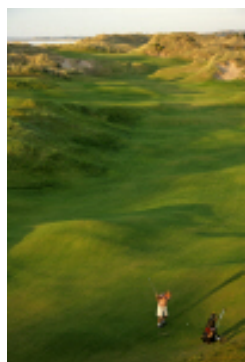

Today we take in some of Launceston's sites before discovering perfect food and some of the world's finest wines and ales while meandering through Tasmania's premier wine-growing region. The lush Tamar Valley offers scenes of vines grown in tidy lines on gentle, sloping hills, and mellow autumn sunshine ripens the grapes, adding unique cool-climate complexities of flavors to these widely acclaimed wines. Lunch will be situated amidst the vines of the Ninth Island Vineyard with sweeping views over the Tamar River. Chef Daniel Alps delivers one of the ultimate dining experiences in Tasmania and using the best produce from the region, your senses will be inspired and your mind relaxed.

## Day 2 - Barnboughe Golf, Quoll Patrol & Helicopter Transfers

We start the day with a helicopter transfer to Barnboughe Links Golf Course where you will enjoy the stimulations of true golf by the sea, with fairways meandering between towering dunes and along a pristine beach. You'll re-discover the traditions of the game, with the firm turf promoting a "bump n run" ground

game. After you 18 holes of golf, it's back into the helicopter for a transfer to the Tyne Valley where you will be introduced to a "multi-sensual" nature and wildlife experience: see, feel and smell, taste and hear Tasmania. Experience a gourmet campfire dinner under the stars with a glass of Tasmanian pinot while waiting for a captivating nocturnal encounter with some of Tasmania's unique and endearing wildlife species. From the Tyne Valley you will be transferred back to Launceston by 4WD vehicles
