Guaranteed great fun with Team Golf at Quamby

Quamby Estate 20 minutes from Launceston hosts a beautiful 9-hole golf course constructed in the early 1990's. The fairways are lined by large mature trees planted in rows with garden avenues, hedgerows, water-courses, lakes and ponds.

No golf experience is needed to enjoy 9 holes of "Ambrose Golf" on the Quamby Golf Course. Wine, cheese and honey tastings can be just some of the team tasks performed at each tee awarding teams extra points to add to their golf score. Composing a team theme song can also be a task during the time on the fairways. Finish this gourmet golf day with live music and an awesome Pepper Bush Adventures cook-up where groups can perform their finished team anthems.
