## The Experience

An amazing nature and wildlife experience assured to be a memorable experience: see, feel and smell, taste and hear Tasmania on this full day & evening tour which focuses on gourmet campfire dining and the antics of the eastern quoll in its natural habitat. The morning can be spent with a choice of a visit to Trowunna Wildlife Park or Ben Lomond National Park.

## Trowunna or Ben Lomond

Start the day with a hands-on Tasmanian wildlife encounter at Trowunna Wildlife Park, cuddle a wombat and see the Tasmanian devils being fed.

Alternatively you can visit Ben Lomond National Park and climb to the second highest peak in Tasmania.

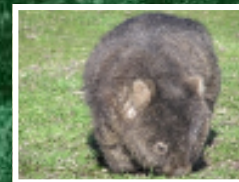

## The Wilderness

View a remarkable diversity of landscape while driving through farmland and passing the foothills of magnificent Ben Lomond before venturing over Roses Tier and take a short walk through the stunning Tombstone Creek Forest Reserve's old growth forest to stand amongst its forest giants.
